Section 1: Working Hours and Remote Work Arrangements

Our standard working hours span 9:00 AM to 5:00 PM in the employee's local time zone, with core collaboration hours designated between 10:00 AM and 4:00 PM. During core hours, team members are expected to be available for team syncs and cross-functional communication.

Employees operating in a hybrid configuration are required to work at least 2 designated days per week from a regional office. Full-time remote team members are eligible for a one-time home office setup reimbursement of $1,000 and an ongoing annual remote work stipend of $500.

Section 2: Paid Time Off (PTO) and Sick Leave

Full-time regular employees accrue 20 days of Paid Time Off (PTO) per calendar year, accrued proportionally on a monthly schedule. A maximum of 5 unused PTO days may be rolled over into the subsequent calendar year, expiring on March 31st.

Employees are granted 10 dedicated sick and wellness days annually. In addition, eligible primary caregivers are entitled to 16 weeks of fully paid parental leave following the birth, adoption, or foster placement of a child. Secondary caregivers receive 8 weeks of fully paid leave.

Section 3: Professional Development and Travel Stipends

Continuous learning is vital to our organization. Each permanent employee is allocated an annual professional development budget of $2,500. This budget can be utilized for industry certifications, conferences, educational textbooks, and technical workshops.

Corporate standard hardware includes modern workstation laptops refreshed on a strict 36-month cycle. For business travel, corporate cards must be used, with an approved standard per diem rate of $75 per day for meals and incidentals.
